International Partnerships

European Innovation Partnership on Active & Healthy Ageing (EIP AHA)

ECHAlliance, member of the B3 Action Group on "Integrated Care", is leading the AA8 sub-group "Finance & Funding"

eHealth Stakeholder Group (eHSG)

Leaded by the European Commission, 29 members

EU mHealth Task Force

Leaded by the European Commission
mHealth Industry Code of conduct

Ambient Assisted Living - AAL Programme

Funding programmes for AAL solutions

Support of Governments

Example of Northern Ireland - Economy / Jobs Task & Finish Group

International Partnerships

Diabetes Aware Cities Challenge

Create a worldwide network of diabetes aware cities, using mHealth tools to promote diabetes awareness and support.

EU-US Memorandum of Understanding (MoU) on eHealth

ECHAlliance supports the MOU and works with US Department of Health and Human Services (DHHS), US Department of Commerce / International Trade Administration Team and the European Commission (DG Connect).
Focus every 6 months through EU-US Marketplace & Assembly events since 2012.

US Market

Around our ecosystem NYEC in New York, 20 US states have agreed a common strategy for connected health.
Opportunities for our members to address the US market

China Connected Health Alliance (CCHA)

Endorsed by the Ministries of Health and social affairs in China, CCHA is based on the same model of ECHAlliance.
Opportunities for our members to address the Chinese market

China Connected Health Alliance

Created in 2014
Supported by the Chinese Government

Foundation members

- Ministry of Health
- Ministry of Social Welfare (Ageing & family planning policies)
- Ministry of Public Security (Internet, ID cards policies & regulation)
- Ministry of Sport
- Chinese Medical Association
  Represents 600,000 physicians (GPs & specialists)
- Chinese Hospital Association
  Represents 10,000+ hospitals
