

La **Cepa Verificada CECT** es un material de referencia recomendado por Normas Internacionales de Calidad como microorganismo control y que ha sido objeto de ensayo en la CECT con los resultados que se muestran en este certificado.

CECT Verified Strain is a reference material recommended as testing microorganism in International Quality Standards, and assayed at CECT with the results shown in this certificate.

CHARACTERIZATION

Growth on selective/differential culture media

MALT Agar
Typical colonial morphology

DG18 Agar
(Dichloran Glycerol 18%)
Good growth, brown colonies
