

La **Cepa Verificada CECT** es un material de referencia recomendado por Normas Internacionales de Calidad como microorganismo control y que ha sido objeto de ensayo en la CECT con los resultados que se muestran en este certificado.

**CECT Verified Strain** is a reference material recommended as testing microorganism in International Quality Standards, and assayed at CECT with the results shown in this certificate.

**CHARACTERIZATION**

**Miniaturized biochemical test rapid ID 32 STREP**

Identification: 99.6-99.9% ID *Enterococcus faecalis*

**Growth on selective/differential culture media**

**Bile Aesculin Agar**  
Blackening of medium around colonies

**Slanetz-Bartley Agar (with TTC solution 1%)**  
Red or brown colonies

**KF Agar (with TTC solution 1%)**  
Red or pink colonies, surrounded by a yellow zone
