

La **Cepa Verificada CECT** es un material de referencia recomendado por Normas Internacionales de Calidad como microorganismo control y que ha sido objeto de ensayo en la CECT con los resultados que se muestran en este certificado.

CECT Verified Strain is a reference material recommended as testing microorganism in International Quality Standards, and assayed at CECT with the results shown in this certificate.

CHARACTERIZATION

Miniaturized biochemical test rapid ID 32 STREP

Identification: 99.9% ID *Enterococcus faecalis*

Growth on selective/differential culture media

Bile Aesculin Agar
Blackening of medium around colonies

Slanetz-Bartley Agar (with TTC solution 1%)
Red or brown colonies

KF Agar (with TTC solution 1%)
Red or pink colonies, surrounded by a yellow zone
