

### Order criteria and priority of applications

According to Article 5 of the Regulation about admissions of students with official, partial university studies, the order criteria are as follows:

1. Students whose degrees are from the same area
2. Students coming from degrees of other knowledge areas.
3. When applied, the order criteria of each group will be:
  - a) Number of recognised credits.
  - b) Average grade of the academic record
  - c) Reason causing the application properly accredited:
    1. High-performance and high-level sportspeople
    2. Work relocation or family residence.
    3. The existence of a convention with the home university
    4. Other justified causes
