

### Electronic processing:

Through the Electronic Office of the Universitat de València: <https://webges.uv.es/uvEntreuWeb/>

**UV students** can do so with their email user and password.

### Students from other Universities:

Through the option "External users", you can select the procedure Admission by continuation of official university studies, and choose the option "SEU User"

The first time accessing the UV's electronic site, the user must accept the general conditions of use and the data protection policy in order to access the application.

When accessing the form, you can select the navigation language and compress the files and documentation to be attached, if there is any. We recommend unblocking the browser's pop-up items.

Once the application has been fulfilled, it must be sent telematically clicking on "Send" at the "Finish" tab, along with the following minimum documentation:

1. Accrediting certification of the student's nationality (certified copy of the ID or passport).
2. Accrediting certification of pursued studies indicating among others:
  - a) the official duration in academic years of the followed studies programme.
  - b) the studied subjects.
  - c) the class loads of each of them and the grades obtained.

You can check the registration on the screen through the request identifier (date and time of submission).

If there is any incidence with the electronic application, please contact: [entreu@uv.es](mailto:entreu@uv.es)
