Miguel Juan

Managing Partner at S2 Grupo

Miguel A. Juan holds a MSc degree in Electrical Engineering by the Technical University of Valencia and has Research Qualification in Computer Science. He held a position as Associate Professor at the Technical University of Valencia from 1986 to 1989, in the area of Software Engineering.

He worked at IBM, from 1989 to 1995, as Senior Engineer, Project Manager and Technical Liaison at IBM Labs in Endicott and Poughkeepsie, NY, USA.

After that, he worked for several companies in the ICT industry as freelance consultant. In 2001, he was one of the founders of S2 Grupo, a company specialized in cybersecurity, and has been Managing Partner until today.

He is co-responsible for the company growth up to a revenue of 10 M€, its participation in a number of European R&D Projects and its process of internationalization in Europe and Latin America.

Member of the Board of Directors and the Partnership Board of ECSO (European Cyber Security Organization).

President of the Valencia Regional Chapter of AMETIC (Spanish Association of Electronics, ICT and Digital Content Companies)

Member of IEEE and ACM.
