

Announced the I Awards Chair for Family Business

The Chair for Family Business at the University of Valencia has announced the first edition of the “Awards Chair for Family Business” in three categories: the best final-year projects of undergraduate degree, posgraduate degree, and research. The projects should deal with difficulties related with family business, enterprising families and the relationship with the two types.

The documents may be submitted until 30 September in the case of the projects presented in the categories of undergraduate and posgraduate degree, 500 Euros of award for each category and an acreditative diploma, and have to be articles published during 2012 for the category of Millor treball d'investigació publicat, this last type will receive a cash prize of 1200 Euros.

The Chair of Family Business has the objectives of promoting interest in the difficulties of family businesses and promoting the generation and dissemination of knowledge that allows to discover and learn about family business of the Valencian Country. The awards are sponsored by Broseta Abogados and Porcelanosa and the result of the contest will be announced before of the 30 October.
