Controversial and innovative ...

**POLITICS
&
SOCIETY**

a quarterly
journal

Politics & Society publishes original analyses of politics, including its social roots and its consequences. In its broadest sense, politics encompasses conflicts over the shape of social life, whether on the shop floor, within the family, or in the realm of the state and the world economy. The quest for a good society is also enduringly a part of political life.

The journal deals with all aspects of politics, with particular emphasis on radical approaches. The specific articles deal with an extremely wide range of substantive topics, but in recent years has been particularly concerned with the relationship between class and state, the politics of gender, politics and underdevelopment, the transformation of the state in advanced capitalism, microfoundations of class theory, and the state in socialist societies.

Contributions are welcome from people of many disciplines, and they may take the form of theoretical essays, historical investigations, philosophical reflections, and empirical research. **Politics & Society** is committed to developing Marxist, post-Marxist, and other radical perspectives and examination of what Robert Lynd once called "some outrageous hypothesis".

Heart of Darkness

The heart of darkness awaits. It's the unknown place that exists in the wilderness, among the people, inside your mind. As a researcher, you've chosen to venture into this shadowy world to extract its truths. How deep are you willing to go?

The expedition is difficult. You need the best tools.

Sociological Abstracts (SA) and Social Planning/Policy & Development Abstracts (SOPODA) outfit you for this important journey.

Drawing from more than 2,400 journals published in 35 countries, SA and SOPODA present abstracts of articles, books and conference papers. Bibliographic entries will guide you to relevant dissertations and important book and other media reviews. All are expertly classified and indexed for easy access.

SA and SOPODA are available in a variety of media: print, online, the electronic CD-ROM, and magnetic tape.

Explore the unknown with confidence by using the most timely information directly related to your areas of interest and expertise.

SAI's Web site, located at www.socabs.org, contains searchable subsets, hot topics, the *Note Us* newsletter, and links to other relevant sites and resources.
