CURRICULUM VITAE

Associate professor of strategic management at the University of Valencia (Spain). He has been visiting professor at Concordia University (Canada), HEC Montreal (Canada) and Bocconi University (Italy). His research has been published in international peer reviewed journals such as *Group and Organization Management*, *British Journal of Management*, *International Small Business Journal*, *International Marketing Review*, *Service Business*, *Business Research Quarterly* or *Minerva* among others. His research interests focus on the interface between the characteristics and processes of Top Management Teams and Business and Corporate Strategies in SMEs. He is also interested on how the researchers' network influences their academic productivity, as well as on the study of the alternative measures to assess scholarly impact and understanding how institutional factors affect to the evolution of research fields. He is member of the Board of the European Academy of Management co-organizer of the Track on Top Management Teams since 2009. He also served as chair of the 2014 EURAM conference. Alejandro founded and co-chairs the series of EIASM international Workshops on Top Management Teams & Business Strategy. He serves as Associate Editor at *Business Research Quarterly*, member of the editorial reviewing board of *European Management Review*, and he has also served as guest editor for the *Journal of Management Studies*, *European Journal of International Management*, *International Studies of Management and Organization*, and *International Journal of Manpower*. Currently, Alejandro is principal investigator of a Research Project funded by the Ministry of Economy and Competitiveness about the role of top management teams in breaking the dominant logic in mature industries and promoting strategic innovation. Regarding his practice-oriented experience, Alejandro regularly collaborates with companies as a consultant. Some of these collaborations have been with companies like Deloitte; Consortia Consultores; Altair Consultores; GREFUSA; ETRA; Syntech Research; AECTA; ADEIT; Broseta Abogados; AIDIMA; Cámara de Comercio de Valencia; ANDEMAR; TECUM, among others.

Líneas de investigación o campos de especialización

1. Top Management Teams & Business Strategy.

Analysis of characteristics, processes, and structures of top management teams and their effects on companies' strategies.

2. Strategic orientation of SMEs

Study of the antecedents and effects of business behaviors oriented towards strategic change, strategic entrepreneurship, corporate entrepreneurship or ambidexterity.

3. Interorganizational relationships: Strategic Alliances and Mergers & Acquisitions

Análisis de factores relacionados con el éxito o fracaso de las operaciones corporativas entre empresas, con especial énfasis en las alianzas estratégicas y las fusiones.
