

MASTER'S THESIS EVALUATION FORM FOR RESEARCH PROPOSALS

Estudiante: Evaluador: Convocatoria:	Very poor	Poor	Satisfactory	Good	Excellent
Problem identification					
1. Is the research problem/line of enquiry clearly identified? Does it focus on a relevant and oportune issue?					
2. Are the aims and/or objectives of the research clearly specified?					
Background					
3. Has appropriate literature been examined to contribute to the understanding of the research problem and/or conceptual framework for the study? Please, specify what is lacking if necessary.					
4. Have other relevant sources been reviewed?					
Approach					
5. Are the conceptual framework and theoretical assumptions clearly stated?					
6. Are the proposed research methods clearly outlined?					
7. Are the project design, methods of data collection and analysis appropriate to the aims of the research?					
Feasibility					
8. Does the research project appear feasible, given what is know about the proposed research methods, time frame, researcher's track record etc.?					
9. Are the intended research outputs appropriate or realistic?					
Significance and impact					
10. Is the proposed research a <u>new line</u> of enquiry within or across disciplines?					
11. Does the research project have a potential social impact, e.g. managerial or practical					

implications, promote problem solving, policy development or evaluation?					
Oral presentation					
12. Was the oral presentation of the research proposal clear and well-structured?					
13. Was the presentation performed within the time?					
Dissemination of research results					
14. Is there a plan to disseminate the research findings within the research community?					
15. Is there a plan to disseminate the research findings among stakeholders and the wider public?					
16. If applicable, is there a plan to report back to the community studied?					

OVERALL RECOMMENDATIONS

Strongly recommended	Recommended	Recommended with minor revisions	Project needs major revisions: not recommended	Poor proposal or inappropriate application
A+	A	B+	B	C
