

MASTER'S THESIS
Itinerario Académico - STRATEGIC PROBLEM SOLVING

Estudiante: Evaluador: Convocatoria:	Very poor	Poor	Satisfactory	Good	Excellent
Problem identification					
1. Is the problem/line of enquiry clearly identified? Does it focus on a relevant and oportune issue?					
2. Are the aims and/or objectives clearly specified?					
3. How good is the link of the problematic and objectives of this work and the topics studied in this Master?					
Background					
4. Has appropriate literature been examined to contribute to the understanding of the problem and/or conceptual framework for the study? Please, specify what is lacking if necessary.					
5. How good is the knowledge and familiarity of the student with the conceptual frameworks to approach the problem?					
6. How is the variety and relevance of the literature considered by the student?					
Use of sources / Data collection					
7. Are the study design, methods of data collection and analysis appropriate to the aims of the problem solving?					
8. Variety, combination and extensiveness in the use of information sources					
Analysis					
9. Are the methods used for analysis well grounded, and conveniently presented and used?					
10. Degree of consistency, accuracy and depth of analysis performed to approach the problem					

Inferences and argumentation					
11. Are the results connected to the conceptual frameworks used in the work?					
12. Does the student connect his/her conclusions to the problem studied with a clear and consistent argumentation?					
13. What are the value and practical importance of the results and conclusions of this work?					
Reporting on the research					
15. Clarity and consistency of the structure, illustrativeness of graphic presentations, and use of language					
16. Accuracy of using references					
17. Relevance of appendices					
Oral presentation					
18. Was the oral presentation of the research proposal clear and well-structured and presented within the appropriate time?					

OVERALL RECOMMENDATIONS

Strongly Recommended*	Recommended	Recommended with some concerns	Recommended with major concerns	Poor proposal or inappropriate application
A+	A	B	C	D

* The highest grade shall be awarded in exceptional cases only.
