## ARRIVAL TO VALENCIA

**BY PLANE:** The airport is located at about 8 km from the city center (see map#1). There is a shuttle bus from the Airport to the Central Bus Station. However, the simplest way to reach the hotel NH Center, the city center, or the Campus de Burjassot from the airport is to take a taxi (approx. cost is EUR 20). To take a taxi, just walk out of any of the airport exits.

**BY CAR:** There are three major highways reaching Valencia (from Madrid, Barcelona and Alicante), which are connected by what is locally known as “by-pass”. On the northwest of the “by-pass” you can access road CV-35 direction Valencia. To reach the Campus de Burjassot follow the panels of “Fira de Mostres” (International Trade Fair) or “TVV” (Television Valenciana) from any of the highways or from the city center. Both the “Fira de Mostres” and “TVV” are located just on the side of the Campus de Burjassot, and are a perfect reference for drivers (even taxi drivers). See maps #1 and #2.

## MEETING VENUE
