The aim of this agreement is to implement a double degree programme between the UV and UAntwerp by means of which the students enrolled will obtain the Bachelor's Degree in Business Administration and Management from the UV and the Bachelor in Social-Economic Sciences from UAntwerp.

Participation in this double degree programme is open to students enrolled in the Bachelor's Degree in Business Administration and Management at the UV or in the Bachelor in social-economic sciences at UAntwerp.

To this end, this agreement specifies the general requirements for participating in this double degree programme. Likewise, it establishes the number of credits and the name of the modules or subjects of the curriculum that the students must take at each of the partner universities (further details will be in appendix I).

TWO. – REQUIREMENTS FOR OBTAINING THE DEGREES

Upon completion of the courses included in the double degree programme, each student may apply for the official degree certificates of the double degree programme:

Both degrees are official university degrees in the country of the issuing university and are accredited by the relevant national agencies.

In particular, to obtain the qualification of Business Administration and Management from the UV, students from UAntwerp must complete at least 120 ECTS credits at the UV and at least 120 ECTS credits at UAntwerp.

Likewise, to obtain the qualification of Bachelor in Social-Economic Sciences from UAntwerp, UV students must complete at least 140 ECTS credits at the UV and at least 102 ECTS credits at UAntwerp.

4. Parity in the number of exchange students is required. This balance may be adjusted during the term of this agreement. However, in the event that there is an imbalance in the number of exchanges in an academic year, the host university receiving more students will have the final decision on how many exchange students beyond the required balance it is willing to accept during that academic year.
