Altres incidències:

I could not choose the language in which I fully want to study, and I was obliged to attend classes in Valenciano anyway, although I am a foreigner who has been learning Spanish for only 2 years, and I was not notified that in Audiovisual Communications there is no choice in the language in some classes. Now in my second year, I got into a group with mostly Valenciano and I can't change it in any way, I think it's unfair to foreign students who want to study in the official language of the country // Solapamiento de clases // Error con la nueva interfaz para matriculación y no hubo solución con secretaria. // Me avisaron MUY tarde de mi acceso a la carrera y además veía varias asignaturas en Valenciano...siendo de foránea y llegando a mitad del primer cuatrimestre, esto no fue muy favorable para mí.
