DEVELOPMENT OF RESULTS OF TEACHING

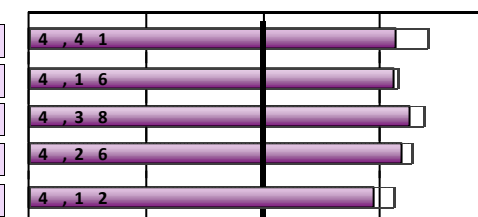

3.1. Development of strategies for the analysis of theories, foundations, and research approaches and methods.
4.1. Making an original contribution to scientific research that is recognized by the international scientific community.
5.1. Ability to design a research project where situations are identified in which to apply the research contributions.
5.2. Skills to generate new knowledge.
6.1. Autonomy to initiate, manage and lead innovative research teams and projects and scientific collaborations.
6.2. Skills to perform collaborative work.
6.3. Competence to transfer research knowledge to society.
6.4. Skills to work in multidisciplinary contexts.
7.1. Ability to investigate with social responsibility and scientific integrity.
8.1. Ability to write research reports / articles.
8.2. Competence to disclose and expose the research results to any audience.
9.1. Skills to make progress in cultural, social or technological aspects.
9.2. Skills to promote innovation.

PROGRAMME: 3139

Programa de Doctorat en Medicina

MOBILITY PROGRAMMES: ERASMUS, INTERNATIONAL PROGRAMME OR OTHERS

15. Have you participated in any mobility programme during your doctoral studies?

Yes	5	6,17%
No	76	93,83%

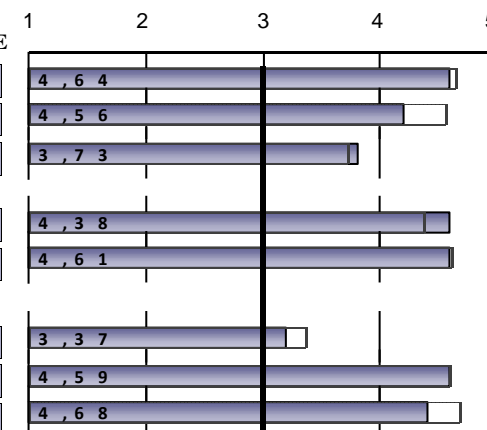

Only those who have answered "Yes"

16. I believe that the academic-research level at the host university/institution was suitable
17. I think that the academic recognition of my study period in the host country was adequate
18. Attention and information received from the Universitat de València before, during and after my mobility period was satisfactory
19. This mobility period helped me improve my language skills
20. I believe that the mobility period improved my research capacity
Indicates your level of satisfaction with:
21. Financial aid received
22. Teaching staff at the host university
23. Mobility period that I spent at the other university or institution
