information services

www.uv.es/siuv
Servei.Informatica@uv.es

UV has an Internet Wi-Fi network (eduroam) in all of its buildings and facilities, where students have free access to internet using their student ID and password.

In addition, all UV students have an e-mail account, a personal website and disk space.

aulavirtual.uv.es

UV has created a “Aula Virtual” (Virtual Classroom) where students have access to information about their courses, to keep a steady contact with professors and to download the information and documents provided by a lecturer through this means.

uvapp.uv.es

UV has developed an official application for mobile devices. This version offers several functions:

- Geolocation of all UV buildings
- Phone numbers and e-mail addresses of all UV centres, unities and offices
- People search at UV
- Official UV TV and Radio
- Information about the official studies offered by UV
- News
- Messages from UV

Besides, UV students can access a personal area where they can look up:

- Class schedules
- Information about the courses they have enrolled in
