

Enrique Silvestre was born in Valencia, Spain, in 1962. He received the B.Sc. degree in physics, M.Sc. degree in theoretical physics, M.Sc. degree in optics, and Ph.D. degree in physics from the University of Valencia, Spain, in 1986, 1989, 1997, and 1999, respectively. Since 1997, he has served as Assistant Professor and Associate Professor with the Department of Optics, University of Valencia. From 1999 to 2000 he was with the Department of Physics, University of Bath, U.K., in a postdoctoral stay. His research interests are waveguide theory, photonic crystal fibers, silicon photonics, fiber lasers, and optical coherence.
