

ACADEMIC YEAR 2026-2027 EXAMINATION CALENDAR

I Subjects and modules of the Master's degree

First Semester

All assessment tests for first-semester subjects and modules, in the first examination period, will take place during the teaching period or no later than 29 January 2027.

Tests corresponding to the second examination period may be held between 24 May and 11 June 2027.

Second Semester

All assessment tests for second-semester subjects and modules, in the first examination period, will take place during the teaching period or no later than 11 June 2027.

Tests corresponding to the second examination period may be held between 14 and 30 June 2027.

Information on assessment tests and their schedule: see the [Course Guide](#) for each module of the Master's degree.

II Master's Final Project

Information session on the TFM: Monday, 5 October 2026 (13:00) in the Espai Cultural (FFTIC – 1st floor).

Deadline for proposals for TFM supervision and topic: from 5 to 26 October 2026 (submission via the Virtual Classroom).

Approval, where appropriate, of the proposals for TFM supervision and topic by the CCA: 28 October 2026.

Information relating to the TFM, including the submission and defence deadlines for the 2026-2027 academic year, is available in the course's Virtual Classroom.
