## cooperativas agroalimentarias

Universidad de Valencia

**We want to create a network  
of stakeholders and  
researchers about the **legal,  
fiscal and accounting**  
regime of agrifood  
cooperatives at European  
andat a global level.**

VNIVERSITAT  
D VALÈNCIA

Starting on July, 11th 2018

- A. Generate basic research, development, and applied **research**, with researchers and legal and economic operators of national and international prestige.
- B. Create a pole of reflection, generation and **transmission of knowledge** on the topics referred to and that affect this type of companies, with the participation of the operators of the sector.
- C. To stimulate the study of the topics affecting agri-food cooperatives by **students and graduates** of legal and economic subjects at the national level, contributing to generate experts in these subjects.
- D. To **disseminate** the phenomenon of agri-food cooperatives, their characteristics, as well as the specialties of their legal, economic and tax regime, both in relation to students and graduates, as well as legal operators and other experts.

It will be translated into different results:

Applied research:

Practical reports. This year, the following have been made:

"Tax, legal and accounting implications of the integration processes of cooperatives."

"Study on VAT in transactions with partners in agri-food cooperatives".

B. Observatory of the agri-food cooperative regime.

C. Academic/basic research: communications at conferences, and publications.

Collaboration in the Project Challenges of the Society

- Collaboration in conferences and training activities in the territorial Federations.
- Collaboration with the Diploma of tax and accounting management for cooperatives (this year, 9th edition).
- Creation of the School of Agri-Food Cooperatives:

Training program in the subjects of the Chair.

Online “training pills” with workshop themes.

**Annual Seminar of the Chair**

**Publications, communications, conferences.**

**Award for academic work on agri-food cooperativism**

**Seminars to students**
