

CERTIFIED

CERTIFICADA

Staphylococcus aureus subsp. aureus

Rosenbach 1884

CECT 240; WDCM 00033

La **Cepa Certificada CECT** es un material de referencia recomendado por Normas Internacionales de Calidad como microorganismo control y que ha sido objeto de ensayo en la CECT con los resultados que se muestran en este certificado.

CECT Certified Strain is a reference material recommended as testing microorganism in International Quality Standards, and assayed at CECT with the results shown in this certificate.

CHARACTERIZATION

Miniaturized biochemical test ID32 STAPH

Identification: 93.9-99.9% ID *Staphylococcus aureus*

Growth on selective/differential culture media

BAIRD-PARKER agar
Grey/black shiny colonies with white entire margin surrounded by zone of clearing

BAIRD-PARKER + RFP agar
Grey/black colonies with coagulase zones
