

TRIBUNAL DIRECTOR AND ALTERNATES PROPOSAL

Form to be completed by the Director of the doctoral thesis at the time of applying for the provisional deposit with the necessary information about the examining board.

The examining board will be made up of three members (president, secretary and vocal) and three substitutes, all of whom must hold a doctoral degree and have accredited research experience. The majority of members of the panel must be external to the Universitat de València and comply with equality regulations (3 men and 3 women for the whole panel, and 2 women and 1 man, or 2 men and 1 woman for the panel).

For the entire panel, it is essential to provide information on the number of six-year periods and the year in which the last period was obtained (members of the panel who belong to foreign institutions must leave these two fields blank and complete the years of affiliation with their current institution), the five most relevant publications, the research projects related to the thesis and the number of theses supervised.
