SUBJECT: 35913 Instruments and Operations for Financial Markets

TITULATION: Degree in International Business

DAY: Monday, 23rd June 2025.

TIME: 15:30 PM - CLASSROOM: S501.

INSTRUCTIONS FOR THE EXAM:

- The exam will be conducted **on paper**, and only **writing materials and a non-programmable calculator** will be allowed. Answers must be written in the designated spaces, and additional sheets will be provided for auxiliary calculations. These sheets must be submitted with the exam but **will not be considered in the grading**.
- During the test, **the use of phones and/or smart watches will not be allowed** and must remain silenced and put away.
- **Punctuality is required.** On the day of the exam, students must wait outside the room until called in and must present a valid **physical ID** (digital formats will not be accepted) at all times.
- Once the results are published in this task, the dates for review sessions will be announced. While not mandatory, students are encouraged to notify by email if they intend to attend the review session.
- Any attempt at **academic dishonesty** will result in **immediate termination of the exam**, which will be graded as **0.00**, without prejudice to any further actions the University of Valencia may take.
