The screenshot displays the website of the University of Valencia, Faculty of Economics. The top navigation bar includes links for STUDENTS, PDI, PAS, and EMPRESA, along with language options (CASTELLANO, VALENCIÀ), a DIRECTORY, and a search bar. The main header features the university's logo, the 525th anniversary emblem, and the faculty name. A horizontal menu lists various sections: The Faculty, Undergraduate Degree Studies, Postgraduate Studies, Mobility and exchanges, Departments, and Entrepreneurship. The 'Undergraduate Degree Studies' menu is expanded, showing a list of options: Degree programmes, Admission, Accés amb estudis universitaris iniciats, Enrolment, Scholarships and financial support, Academic Calendar, Internships, Degree Final Project, Exam attempts and grades, Certificates, Credit transfer and recognition, Regulations, and Licenciaturas and Diplomaturas – plans being phased out. The 'Degree Final Project' option is circled in orange, and a large orange arrow points to it from the right. The background of the website shows a blurred image of students in a classroom.

# Final Degree Project

**September:** students receive an appointment through the **Virtual Office**.

Students must choose a department (not a specific lecturer) through **the Portal del Alumne**

Students are allocated a tutor

International students “become” local students

The Final Degree Tutor may/may not be the same as the internship tutor.

# Final Degree Project

## What could happen?

Be assigned a tutor from one of your preferred departments

You are assigned a tutor from a different department than your initial choice

Language problems

Many teachers give students the freedom to choose the subject, even if it is not in their area.

All teachers are qualified to supervise a FDP regardless of the topic

Be flexible and open-minded

Inform [paz.coscolla@uv.es](mailto:paz.coscolla@uv.es) if you want to do it in English.
