

XVIII Valencia Erasmus Week from 6th – 10th March 2023

INTERCONNECTION AND BENCHMARKING

Dear Friend,

One year again, the collaboration between both institutions has been very satisfactory. That is why we have prepared an Erasmus Week for Staff 2023 in order to strengthen ties and knowledge, as well as living our “*Fallas party*”

Thus, we are pleased to announce a new edition of the XVIII Valencia Erasmus Week at the Facultat d'Economia of the Universitat de València.

It will take place **6th – 10th March 2023** and it will be an opportunity for administrators, policy makers and coordinators from our partners universities to visit our university under Erasmus Staff Mobility. Both, the hosts and participants will present and share their best practices, ideas and examples, which will be analyzed and discussed in interactive workshops

The funding is available from the Erasmus grant, hence is distributed by the **home university** (please check the availability of such funding with the Erasmus coordinator at your institution), which should cover the cost of travel, accommodation and meals.

You can apply to participate in the XVIII Valencia Erasmus Week by filling the attached application form and sending it by e-mail to int-of.economia@uv.es.

Please note that, due to the high number of applications received, only One guest staff can be accepted from the same partner university

Important dates:

- **Deadline for proposal submission: 15th November 2022**
- **Communication of acceptance from 1st to 16th December 2022**

I look forward to welcoming you to Valencia at this time.

Best regards,

Asunción Hernández

Vice-dean of International Relations
