

Cristina Moreno Fernández

General Director for Employment and Workplace Welfare at Generalitat Valenciana and Director at INVASSAT

Curriculum vitae

She holds a Degree in Business and Economics by the University of Valencia and MSc in Sustainability and Corporate Social Responsibility at the University Jaume I.

She works as a civil servant at the Generalitat Valenciana since 1985, first at the Commerce area and then at the Employment area. She has combined this position with its union activity at the Unión General de Trabajadores (UGT) and its political activity at the Partido Socialista (PSOE).

She has been a deputy at the Corts Valencianes from 1999 to 2015, where she has worked as assistant representative and representative of Economics and Internal Revenue of this same group until 2011, when she was elected President of the Economics and Budget Committee of the Corts Valencianes.

She has been contributor to the Budget, Tax Measures, Financial and Administrative Management and Organization Laws of the Generalitat Valenciana enacted during the period 1999-2015. Likewise, she has contributed to all the economic legislation that has been enacted in that same period: Savings Banks, Property, Personal Income tax, Internal Revenue, Cooperatives, Public Foundations, etc.
