

BASIC RULES OF STYLE AND STRUCTURE OF THE MASTER'S THESIS (TFM)

The following formatting guidelines must be followed for the preparation of the master's thesis:

- Written in any of the native languages of the Universitat de València or in English.
- Standardised size UNE A-4, except for plans, whose size shall follow the principles of technical drawing.
- Numbered pages.
- Double-sided printing.
- 12-point font, single spacing.
- 25 mm top and bottom margins, 35 mm inside and 20 mm outside margins.
- Title page according to annexes (in the language of the thesis).
- Detailed table of contents with numerical page references.
- Foreword/summary of the thesis in the two native languages of the Universitat de València and in English.
