

**FORTHEM CAMPUS "DIGITAL TRANSFORMATION"**  
SECOND SEMESTER OF THE ACADEMIC YEAR 2022-2023  
**SELECTION PROCEDURE FOR INCOMING STUDENTS**

## 1. REQUIREMENTS

Students participating in the FORTHEM Campus "*Digital Transformation*" must be enrolled in BA or MA programmes at their home university, and must have been previously selected and nominated by their home institution.

The participation of undergraduate students enrolled at the University of Valencia is not envisaged.

## 2. LANGUAGE OF INSTRUCTION

2.1 The FORTHEM Campus "*Digital Transformation*" will be mainly carried out in English.

2.2 Certification of a specific language level is not required.

Some activities in the disciplinary, open and transversal modules will exceptionally be offered in Spanish.

## 3. NUMBER OF PLACES AND DEGREES

3.1 The UV faculties participating in the FCDT are:

- School of Engineering
- Faculty of Geography and History
- Faculty of Law
- Faculty of Pharmacy
- Faculty of Philology, Translation and Communication
- Faculty of Psychology
- Faculty of Teacher Training

3.2 The total number of **places offered is 72**, corresponding to the following degrees:

- BA in Data Science
- BA in Telecommunications Electronic Engineering
- BA in Industrial Electronic Engineering
- These three degrees from the School of Engineering offer a total of 8 places (1 per partner university)
- BA in Law: 16 places (2 per partner university)
- BA in Pharmacy: 8 (1 per partner university)
- BA in English Studies: 16 (2 per partner university)
- BA in Primary School Education: 8 (1 per partner university)

## 5. ACADEMIC PROGRAMMES AND RECOGNITION OF CREDITS

5.1 The academic programme comprises three modules, DISCIPLINARY, TRANSVERSAL and OPEN, as listed in **Annex I "Disciplinary Module"**, **Annex II "Transversal Module"** and **Annex III "Open Module"**.

The disciplinary module includes English-taught courses in the BA degrees listed above.

Exceptionally, the language of instruction of some courses in the School of Engineering will alternate Spanish (theory classes) and English (laboratory classes). For these courses, students are advised to have a B2 command in Spanish

The transversal module comprises activities specifically designed for the FORTHEM Campus. These include workshops, conferences, seminars, etc., and are open to all participating students.

The Open module includes tutored activities offered by lecturers experts in Digital Transformation in different fields.

**5.2** Participating students must fill in a Learning Agreement (<https://go.uv.es/kYJpx2w>), with a minimum of 18 ECTS. These must include subjects and activities selected from all three modules

At least two disciplinary module subjects must be included in the Learning Agreement.

The remaining ECTS must be selected from the activities offered in the transversal and open modules.

**5.3** In accordance with the provisions of this document, the recognition of the ECTS taken in the FORTHEM Campus is guaranteed as part of the Erasmus mobility programme. As a requirement, the Learning Agreement must be approved and signed by both the home mobility coordinator and the UV mobility coordinator of the different BA programmes, prior to the beginning of the student's mobility period

## 6. PROCEDURE AND NOMINEE PRESENTATION PERIOD

**6.1** Each FORTHEM university will nominate students that will take part in the FORTHEM Campus, according to the number of places offered in each degree (see section 3).

Nominations will be carried out via the following online questionnaire <https://go.uv.es/nominations/FCDT>

**6.2. Deadline** for student nomination is **14 October 2022**.

**6.3** The Learning Agreement, which must meet the requirements set in section 5, must be sent by email to [forcamp@uv.es](mailto:forcamp@uv.es) before 17 October 2022

**6.4** The nominated students will then receive instructions for completing their application.

**6.5** The choice of activities in the Transversal and Open modules indicated in the Learning Agreement is non-binding. The available activities may vary depending on demand. The final programmes will be communicated by 16 December 2022.
