

## **“ECOPHYSIOLOGY AND GENOMICS APPLIED TO LICHEN BIOMONITORING”**

**Multidisciplinary and updated view of the role of lichens as bioindicators, ranging from classical biomonitoring approaches to genomic sequencing techniques**

**23<sup>rd</sup>-24<sup>th</sup> Novembre 2023**

Project **PROMETEO/2021/005, Excellence in Research GVA**

Organized by the *SYMBIOGENE\_GIUV-330* research team

**Patricia Moya:** [patricia.moya@uv.es](mailto:patricia.moya@uv.es)

**Eva Barreno:** [eva.barreno@uv.es](mailto:eva.barreno@uv.es)

**Pedro Carrasco:** [pedro.carrasco@uv.es](mailto:pedro.carrasco@uv.es)

### **Invited researchers who accepted to participate**

**TATYANA DARIENKO**, Georg-August-University Göttingen, Germany

**LINDA GEISER**, USDA FOREST SERVICE Washington, USA

**STEVE LEAVITT**, Brigham Young University, Provo- UT, USA

**CHRISTIAN LORENZ**, Università di Napoli , Italy

**KRISTIINA MARK**, Estonian University of Life Sciences, Tartu

**GREGOR PICHLER**, University of Innsbruck, Austria

**THOMAS PRÖSCHOLD**, University of Innsbruck, Austria

**MAONIAN Xu –HI**, University of Iceland, Hagi, Iceland

**MYRIAM CATALÁ**, URJC, Madrid, Spain

**PRADEEP DIVAKAR**, Farmacia UCM, Madrid, Spain

**DAVID PIZARRO**, Farmacia UCM, Madrid, Spain

**JUAN S. ÁLVAREZ ASPRA**, ASPRA Consultoría Ambiental, Oviedo, Spain

**CÉSAR BORDENAVE**, ICBIBE, CC. Biológicas, UV, Spain

**PATRICIA MOYA**, ICBIBE, CC. Biológicas, UV, Spain

**MARTA PÉREZ-RODRIGO**, BIOTECMED, CC. Biológicas, UV, Spain

Venue: **Assembly Hall of the “Botanical Garden” of the University of Valencia**

The **“Scientific Culture and Innovation Unit” of the University of Valencia**, will help managing the administrative issues related to registration and certificates
