

# I<sup>2</sup>SysBio Seminars

INSTITUTE FOR  
INTEGRATIVE  
SYSTEMS BIOLOGY

12:30

I<sup>2</sup>SysBio seminar room

2024

## July

### July 1

**Miguel Verdú del Campo** (CIDE - CSIC). *“Tracking the evolution of ecological interactions through the phylogenies”*.

### July 4 (Comisión de igualdad)

**Mar Zaragoza** (Lambda-Valencia). *“Jornada de sensibilización sobre la realidad de las personas del colectivo LGTBI+”*.

### July 8

**Daniel Schindler** (Max Planck Institute for Terrestrial Microbiology). *“Synthetic biology and synthetic genomics approaches for regulatory tools and novel chassis”*

### July 11

**Pol Nadal Jimenez** (Liverpool School of Tropical Medicine) *“Dissecting bacteria: host interactions through a genetic lens”*

### July 15 (Innovation Monday Series)

**Max Torrellas** (AIMPLAS) *“Biotecnología aplicada al sector del plástico”*

## September

### September 9

**Alberto Carbonell** (IBMCP, Spain). *“Next-Generation Artificial Small RNA-Based RNAi for Crop Improvement”*.

### September 20

**Tzachi Hagai** (Tel Aviv Univ). *“The evolutionary paradox of host-virus interactions”*.

### September 23 (Innovation Monday Series)

**Ana Torrejón-Cabello** (AINIA) *“Innovaciones biotecnológicas para solucionar los retos de la industria del siglo XXI”*

## October

### October 7

**Maria Angela Nieto Toledano** (Instituto de Neurociencias, CSIC-UMH, Spain).

I<sup>2</sup>SysBio is a joint research centre Universitat de València/CSIC

# I<sup>2</sup>SysBio Seminars

12:30

I<sup>2</sup>SysBio seminar room

**October 14**

**Marcel Ivan Ramirez Araya** (Fiocruz, Brazil). "*Role of extracellular vesicles during parasite-host cell interaction*".

**October 21** ([Innovation Monday Series](#))

**Laura García Carmona** (ITE, Spain) "*Biosensores portátiles y wearable para monitorización personal, agrícola y ambiental*".

**October 31**

**Mariana Gómez-Schiavon** (International Laboratory for Human Genome Research ILHGR, UNAM) .

**November**

**November 11** ([Innovation Monday Series](#))

**Caterina Coll Lozano** (Perseo Biotechnology, Spain) "*TBA*".

**November 18** ([Innovation Monday Series](#))

**Sara Sánchez Pardini** (OEPM, Spain) "*Protección de invenciones implementadas por ordenador*".

**December**

**December 16**

**BE-I2SysBio: Building & Expanding I2SysBio.**
