

The logo for IDOCAL features the word "idocal" in a lowercase, sans-serif font. The letters "i", "d", "c", and "a" are dark brown, while the "o"s are a golden-brown color. The top "o" is positioned above the "d", and the bottom "o" is positioned below the "c". The logo is centered within a white square, which is itself centered within a larger orange square.

You can watch the full video of the lecture [here](#).

The image shows a virtual meeting interface. On the left is a presentation slide with the following content:

- The impacts of digitalization on work and organizations: Challenges for WOP**
- José M. Peiró
- IDOCAL University de Valencia. (Spain)
- Logos for IDOCAL, EAWOP (European Association of Work and Organizational Psychology), and Universitat IDOCAL VALENCIA.
- Text: Virtual Small Group Meeting, January 21<sup>st</sup>-22<sup>nd</sup> 2021

On the right is a video feed of Professor José María Peiró, a man with glasses wearing a dark suit and light blue shirt, speaking.

## 2. Resources: ISO Norm guidelines Ageing Societies — Framework for Dementia-inclusive communities

The ISO (the International Organization for Standardization) is a worldwide federation of national standards bodies (ISO member bodies). The work of preparing International Standards is normally carried out through ISO technical committees. The ISO Committee worked on a new norm on guidelines for an age-inclusive workforce. Both, structure and contents, are inspired by the Later Life Workplace Index.

You can find more information on the technical committee that drafted ISO 23617 here:

<https://committee.iso.org/home/tc314>

<https://www.iso.org/committee/6810883.html>

ISO members can be found here: <https://www.iso.org/members.html>
