# Dr. Mario Martínez-Córcoles keynote speech in the ELSE International Workshop

**Mario Martínez-Córcoles** gave a keynote speech in the **ELSE International Workshop** which took place in Nice (France) on June 13 and 14, 2023. The aim of this workshop was to promote further international cooperation between industry, universities, and regulatory bodies in the field of safety management and leadership for safety.

The **ELSE** workshop brought together experts and professionals from the academic community (Gudela Grote, Rhona Flin, René Amalberti, etc.), and operators and regulators from the nuclear sector (IAEA, Nuclear Energy Agency, etc.). The ELSE International Workshop is funded by the European Union (<https://enen.eu/index.php/portfolio/else-project/>)
