

ZWO
VLE

A nighttime photograph of a river in Zwolle, The Netherlands. On the left bank, a row of trees is illuminated with warm white lights. A large, bright red light projection is cast onto the snow-covered ground in front of the trees. The text 'ZWO' is visible on the left side of the image, and 'VLE' is visible on the right side, both in a yellow, stylized font. In the background, a church with a tall, illuminated spire is visible on the right bank. The river reflects the lights from the trees, the church, and the city lights in the distance.
