

meeting of the scientific advisory committee

monday, december 3rd, 2012

9.15 - 10.00

Presentation

IMDEA Nano in a nutshell (2008-2012)

Prof. Rodolfo Miranda

Director IMDEA Nanociencia

10.00-11.15

Dr. Larry Lüer

Towards highly efficient and stable organic solar cells: insights from time-resolved spectroscopy

Dr. Emilio Pérez

Unconventional methods of modification of carbon nanotubes

Dr. Francisco Terán

Magnetic nanoparticles for cancer detection and elimination

Dr. Enrico Gnecco

The Nanotribology Lab @ IMDEA Nanociencia

Dr. A. L. Vázquez de Parga

Periodically Nanostructured Graphene

11.15-11.30

Coffee break

11.30-13.00

Poster Session and Visit to the Labs

13.00-14.00

Lunch

14.00-15.30

Evaluation of researchers

Dr. Johannes Grieschner

Dr. Alberto Bollero

Dr. Ricardo Arias

16.00- 18.30

MEETING OF THE SCIENTIFIC ADVISORY COMMITTEE

Evaluation of the Institute and Researchers

Deliberation of the SAC

Discussion with the Director

Deliberations and writing of the report

21.00

Dinner
