All the information is available at the Faculty Website (www.uv.es/filtradcom) in the link [WORK PLACEMENTS](#).

For both the **COMPULSORY** and **ELECTIVE** subjects,

- students must submit their application via the UV Virtual Secretary (mail.uv.es) before the set deadline and enrol in the course (as in the rest of courses) in the allocated date.
Our administrative staff will check that the procedure is completed: allocation of a work placement, submission of application and enrolment.
Those students who are not given a placement in the first round must attend the second one to select a company or institution.
IMPORTANT: If students do not submit their applications or do not choose a destination for their work placements, their official enrolment in the subject will be cancelled. In such case, students will be notified and given the option to complete their enrolment in a different elective course (with available places).
If students do not accept any allocations in the first round, they must obligatorily attend the second round to choose a company or institution.

AUTO-PRACTICUM

- No auto-practicum will be granted without previous application via the UV Virtual Secretary: <http://correo.uv.es>.

OBSERVATIONS:

The applications for extra-curricular work placements (elective; no credits) will be submitted via the [ADEIT page for work placements](#).
