

## Students from higher education institution outside Spain (aka EHEA)

### 1 If accessing with completed studies:

- 1.1. **DNI** (Spaniards), **NIE** (Spanish residents) or **Passport** (foreign citizens)
- 1.2. **Degree's Diploma** or substitute certificate and, if applicable, officially translated (see the section ["Requirements for foreign graduates"](#))
- 1.3. **Official transcript of records** (grades/marks), stating the average mark of the subjects passed up at the time of application, calculated on a 10-point scale and, if applicable, officially translated (see the section ["Requirements for foreign graduates"](#))
- 1.4. **Document for grades equivalence**: indicating an average mark calculated on a 10 point scale, according to the [procedure](#) established by the Spanish Ministry of Education and Vocational Training. Those who do not provide this document will be given an admission average mark of 5 points over 10.
- 1.5. **Specific documentation** required, for any master requested, if necessary. It is recommended to consult in the [Master's Card](#) the computable merits shown in "Admission Criteria" and the supporting documentation that you would need to provide with.
- 1.6. Besides, for **the MD in General Health Psychology**, it is required the Favourable Resolution of Access to the MD according to the procedure established for this purpose. [More info](#).

**If you submit the European Diploma Supplement (EDS), neither the official university degree nor the academic certificate is required.**

### 2 When accessing with pending studies

- 1.1. **DNI** (Spaniards), **NIE** (Spanish residents) or **Passport** (foreign citizens)
- 1.2. **Official transcript of records** (grades/marks), stating the average mark of the subjects passed up at the time of application, calculated on a 10-point scale and, if applicable, officially translated (see the section ["Requirements for foreign graduates"](#))
- 1.3. **Document for grades equivalence**: indicating an average mark calculated on a 10 point scale, according to the [procedure](#) established by the Spanish Ministry of Education and Vocational Training. Those who do not provide this document will be given an admission average mark of 5 points over 10.
- 1.4. **Specific documentation** required, for any master requested, if necessary. It is recommended to consult in the [Master's Card](#) the computable merits shown in "Admission Criteria" and the supporting documentation that you would need to provide with.
- 1.5. Besides, for **the MD in General Health Psychology**, it is required the Favourable Resolution of Access to the MD according to the procedure established for this purpose. [More info](#).

**NOTICE: The average mark is meant to update only until June 25<sup>th</sup>(or September 4<sup>th</sup> in extraordinary phase), and not further after that date, by attaching a new transcript of records to your application. It is essential having submitted within the applications period a previous/provisional transcript.**

**Since the students with completed studies have the priority for enrolling**, please submit your Diploma or document getting accredited that your studies are completed, before July 18th (for the ordinary phase) or September 17th (for the extraordinary phase). This will give them priority over students with pending (TFG/9 pending ECTS) studies.
