

Students with a Degree from out of the EHEA or/and NOT recognized by the Spanish Government

1. **DNI** (Spaniards), **NIE** (Spanish residents) or **Passport** (foreign citizens)
2. **Degree's Diploma** with the corresponding legalisation or, if applicable, apostille. Likewise, and if applicable, its official translation (see the section ["Requirements for foreign graduates"](#)). Moreover, students who obtained a Favourable Equivalence Resolution for acceding to postgraduate studies in previous academic years must also provide a copy of this resolution.
3. **Official transcript of records** (grades/marks), stating the average mark of the subjects passed up at the time of application, calculated on a 10-point scale and, if applicable, officially translated (see the section ["Requirements for foreign graduates"](#))
4. **Document for grades equivalence**: indicating an average mark calculated on a 10 point scale, according to the [procedure](#) established by the Spanish Ministry of Education and Vocational Training. Those who do not provide this document will be given an admission average mark of 5 points over 10.
5. **Specific documentation** required, for any master requested, if necessary. It is recommended to consult in the [Master's Card](#) the computable merits shown in "Admission Criteria" and the supporting documentation that you would need to provide with.
6. Besides, for **the MD in General Health Psychology**, it is required the Favourable Resolution of Access to the MD according to the procedure established for this purpose. [More info](#).

NOTICE: Students belonging to this case who apply for pre-enrolment with pending studies, will only be admitted to the master's degree if, without exception, they submit all the aforementioned documents, duly apostilled, or translated if needed, before July 18th (or September 17th for the extraordinary phase). check ["Requirements for foreign graduates"](#))

If you are not admitted due to non-compliance with this requirement or for submitting the required documents (degree or academic certificate) without an Apostille/Legalization, or, if needed, an official translation, **you are not entitled to a refund of the tax** paid for the equivalence study (foreign qualifications verification).
