1 About this deliverable

1.1 Introduction

This document contains a copy of the promotional material announcing the start of the Positive project consisting of a slide project presentation, a printed (and electronic) project brochure and a project poster.

All this material is downloadable by the general public via the Positive website: <http://www.fp7positive.eu>

The slide project presentation and poster will be used by the partners where possible for general dissemination of the project.

The flyers were electronically distributed to the Positive to the >100 Positive User Forum partners in December, 2010. A first batch of paper copies of the flyers are in print and will be divided to the partners during December 2010. The paper copies will be distributed by the partners wherever and whenever suitable.

1.2 Scope of the deliverable

The deliverable really just informs of the production and distribution of various promotional material announcing the start of the Positive project.

1.3 Structure of this deliverable

The report is laid out according to the tasks defined in WP11 as follows:

T11.2: Creation and distribution of promotional material such as Positive project leaflets/flyers/brochures, posters, videos, 2/3 slide presentation, newsletter, etc., available for broader distribution at key events and through a regularly updated database of contacts (including newcomers registering through the web-site) (KTH)
