## SUMMARY

*Human Rights: Social Rights* is a basic formation subject of the Degree in Social Work.

The subject is aimed at introducing students to the legal dimension of social work and three basic aspects: human rights (especially social rights); legal systems as institutions that guarantee these rights, that is, the different modalities of the Rule of Law and the scope of human rights in the ethical dimension of the performance of social work.

## PREVIOUS KNOWLEDGE

### RELATIONSHIP TO OTHER SUBJECTS OF THE SAME DEGREE

There are no specified enrollment restrictions with other subjects of the curriculum.

### OTHER REQUIREMENTS

## COMPETENCES / LEARNING OUTCOMES

### **1311 - Degree in Social Work**

Apply social work techniques to work effectively within systems, networks and interdisciplinary and multi-organisational teams.

Contribute to the management and direction of welfare entities.

Define proposals for resolution in situations of risk after identifying and assessing the nature of the risk.

Demonstrate critical and self-critical thinking in the field of the degree programme, considering aspects such as professional ethics, moral values and the social implications of the different activities carried out.

Demonstrate professional competence in the practice of social work.

Develop actions related to the management of resources and services, supervising their effectiveness and ensuring their quality.

Generate social histories and reports, ensuring they are comprehensive, reliable, accessible and up to date, to assist in decision-making and professional assessments.

Identify intervention methodologies in social work for interaction, support and resolution of needs and problem situations with individuals, families, groups and communities.

Identify the disciplinary knowledge necessary for the analysis of contemporary society, its structure and dynamics, including the complexity of social phenomena, adopting a multidisciplinary perspective.

Know how to communicate effectively, both orally and in writing, adapting to the characteristics of the situation and the audience.

Understand the systems, organisational contexts and work teams linked to social work.
