SUMMARY**PREVIOUS KNOWLEDGE****RELATIONSHIP TO OTHER SUBJECTS OF THE SAME DEGREE**

There are no specified enrollment restrictions with other subjects of the curriculum.

OTHER REQUIREMENTS**COMPETENCES / LEARNING OUTCOMES****1311 - Degree in Social Work**

Act with autonomy in learning, making informed decisions in different contexts, issuing judgements based on experimentation and analysis, and transferring knowledge to new situations.

Apply social work techniques to work effectively within systems, networks and interdisciplinary and multi-organisational teams.

Apply techniques and methods of intervention in interculturality, cooperation and social exclusion.

Apply the attitudes and skills necessary to integrate a gender perspective into professional practice.

Contribute to the design, development and implementation of solutions that respond to social demands, taking into account the Sustainable Development Goals as a reference.

Contribute to the management and direction of welfare entities.

Contribute to the preparation of meetings and participate in decision-making in order to better defend the interests of individuals, families, groups, organisations and communities.

Define proposals for resolution in situations of risk after identifying and assessing the nature of the risk.

Demonstrate critical and self-critical thinking in the field of the degree programme, considering aspects such as professional ethics, moral values and the social implications of the different activities carried out.

Develop actions related to the management of resources and services, supervising their effectiveness and ensuring their quality.

Develop intervention and research projects in social work adapted to intercultural needs, cooperation and groups in situations or at risk of social exclusion.

Generate social histories and reports, ensuring they are comprehensive, reliable, accessible and up to date, to assist in decision-making and professional assessments.

Identify intervention methodologies in social work for interaction, support and resolution of needs and problem situations with individuals, families, groups and communities.

Identify risk situations inherent to professional practice through the planning, review and monitoring of actions aimed at addressing them.

Know how to communicate effectively, both orally and in writing, adapting to the characteristics of the situation and the audience.

Know the specific realities, needs and specialised resources aimed at cultural diversity, interethnic relations, intervention with migrants and refugees, deprivation of liberty, socio-labour insertion, development cooperation, fight against poverty and ca

Manage one's own work responsibly by assigning priorities, meeting professional obligations and assessing the effectiveness of one's own work programme.

Reinforce the capacities of individuals, families, groups and communities so that they may act as agents of transformation in the situations in which they live.

Understand the systems, organisational contexts and work teams linked to social work.
