SUMMARY

The "Internship" carries 18 ECTS belonging to the subject "Internship and End of Degree Project" of the fourth year consisting of a total of 30 ECTS.

The general aims of the internship are:

- Complementing the educational training received with practical training, familiarising students with work reality in which they could develop professional skills in the future.
- To apply the knowledge and skills acquired in the degree to the development of the professional activity.
- To promote initiative, creativity, overcoming difficulties, problem solving, decision-making, responsibility, interest in practical learning, teamwork, respect for other personnel and fulfilling commitments.

- Facilitating the graduates insertion into the labour makers.

The criteria for the award of work placements, is based on the average grade, the base 10, of the record and the number of credits obtained

The calendar of management of the external practices is published in the centres website, where the rules, requirements, order of election and work placements is collected

TEACHING METHODOLOGY

Internship (18 ECTS)

- Presence at the work place: 15 ECTS
- Seminars and tutorials: 1 ECTS.
- Activity at the Center for Interdisciplinary Simulation in Health (CESIS-UV): 0.5 ECTS
- Writing and presentation of the report: 1.5 ECTS

The seminars and tutorials consist of 10 h certified presence at any of the following activities:

- food-related congresses
- scientific events or events related to professional opportunities organised by OPAL or ADEIT
- Presence at events, congresses of scientific character or related to professional opportunities with the previous agreement of the coordinator of the degree, and the internship coordinator.

These activities will be programmed by addressing the most related Sustainable Development Goals (SDGs).

The activity at CESIS-UV consists of 5 hours, of which 4 hours are face-to-face and 1 hour non-face to prepare the clinical case to be worked on at CESIS-UV.

EVALUATION

The internship is supervised by an academic tutor and a company supervisor. University teachers of the different departments act as academic tutors depending on the company activity. The academic tutors are in charge of explaining the evaluation criteria to the students.

Evaluation of the internship is based on the student's skills, related to human nutrition and dietetics, using as indicators:

- the report of the company supervisor
- the report of the university tutor and
- the student's report.

Evaluation

The student must fulfil the following requirements to pass the subject:

- Attendance of tutorials and proposed activities.
- Adequately fulfil the work plan proposed by the company supervisor.
- The student will submit the report and the evaluation form of the external practices to the tutor within 10 days after completing the practicum. Later the tutor will deliver it to the secretary.

The university tutor will evaluate the student's learning based on the adequacy of the student's report and the criteria established by the tutor.

The company supervisor will assess, by means of a questionnaire, the skills acquired by the student. The company supervisor's evaluation will be based on attendance, the fulfilment of the tasks realized by the student, the degree to which the student has assumed responsibilities, the degree of satisfaction of the company with the work performed by the student and the general evaluation of the tasks carried out by the student.

The student's final grade comes from the assessment by the professors in charge of the following aspects:

- Attendance to seminars 10%
- Evaluation of the attitude, achievement and learning process of the student made by the Tutor responsible of the Practical in the Company: 45%
- Assessment made by the Academic Tutor (memory and one to one tutorials): 40%
- Attendance at CESIS-UV: 5%

Evidence of copying or plagiarism in any of the assessable tasks will result in failure to pass the subject and in appropriate disciplinary action being taken. Please note that, in accordance with article 13. d) of the Statute of the University Student (RD 1791/2010, of 30 December), it is the duty of students to refrain from using or participating in dishonest means in assessment tests, assignments or university official documents.

In the event of fraudulent practices, the **Action Protocol for fraudulent practices at the University of Valencia** will be applied (ACGUV 123/2020):
