1925 - Double Degree Prog. Sociology-Political and Public Administration Sciences	Year 5 compulsory subjects	COMPULSORY

**COORDINATION**

BEA PEREZ EMILIA  
 APARICIO CHOFRE LUCÍA

**SUMMARY**

The main objective of this discipline is to analyse from a critical perspective (not merely descriptive and/or historical) the problems of the grounds of institutions, democracy and individual-community relations. It

also aims to make a reflection about the future of politics, the ideal of a just society, the sphere of human rights, the freedom-equality coupling, etc.

## PREVIOUS KNOWLEDGE

### RELATIONSHIP TO OTHER SUBJECTS OF THE SAME DEGREE

There are no specified enrollment restrictions with other subjects of the curriculum.

### OTHER REQUIREMENTS

## COMPETENCES / LEARNING OUTCOMES

### 1300 - Degree in Political and Public Administration Sciences

Be able to relate and structure information from diverse sources and to integrate relevant ideas and knowledge in the field of political science and public administration.

Develop the learning skills needed to complete further studies or training with some degree of autonomy.

Have knowledge and ability to understand essential facts, concepts, principles and theories relating to political science and public administration, and to the spectrum of other reference disciplines.

Know and be able to analyse electoral processes, both from an institutional point of view and from the point of view of the behaviour of collective and individual actors.

Know and be able to analyse the characteristics and guidelines for action of the main political actors (parties, trade unions, interest groups and new social movements).

Know and be able to analyse the structure and functioning of political systems and processes, their elements and their historical dimension, with special emphasis on the political systems in Spain and in the European Union.

Know and know how to analyse the patterns and trends in the behaviour of collective political actors and citizens, their democratic values and fundamental rights.

Know how to design and analyse political strategies and campaigns and to convey political messages and information and issues of public debate.
