## EVALUATION

The qualification of the subject will be determined based on the marks obtained on the continuous assessment developed and the final mark of the exam: continuous assessment represents 30% of the mark; the final exam, means 70% of the mark

The qualification of the subject will be determined based on the marks obtained on the continuous assessment and the final mark of the exam: continuous assessment represents 30% of the mark; the final exam, means 70% of the mark.

It will be necessary to obtain a minimum passing grade in the final exam to pass the subject, regardless of the grade obtained in the continuous assessment.

The teacher's annex will detail the conditions of the continuous evaluation and the oral or written character of the final test, as well as if a partial test will be carried out, whether releasing or not, on the dates set by the Faculty.

Students who do not perform the continuous assessment may be submitted to the final test on first call, and the grade obtained will be limited to the weighted value that this test has in the final grade (70%), so that, at most, You can get a 7 as a final grade.

In case of suspending the first call, for the second call the score obtained in the continuous evaluation is retained. If the teacher's annex foresees that there is an activity as recoverable, it will determine the way to obtain the grade of the same / s in second call.
