SUMMARY

The compulsory course "External Internships" is aimed at Business Administration-Law students who are at an advanced stage of their double degree. Students enrolled in this course will be able to complete a period of internship work related to the academic content of the degrees they are pursuing at UV, in law firms, companies, and/or public and private institutions. These internships will be supervised and mentored by a tutor from the Faculty of Economics or the Faculty of Law, preferably from the area of specialization of the position offered.

The objective of the Company Internships offered to students of the double degree in Business Administration + Law is to achieve, through a period of integration in a company, that they acquire the technical skills (knowledge), learning skills (know-how), interpersonal skills (know-how), and thinking skills (know-how), which will enable them to integrate into the world of work with greater guarantees of success.

External internships are training activities undertaken by students in companies, institutions, or organizations. The objective of these internships is to complement the student's training through a practical period, with the following objectives, among others:

* Gain insight into professional life.
* Introduce students to the problems of the company, institution, or organization.
* Utilize the theoretical and practical knowledge acquired during the degree program in companies and public and private institutions.

* Complete projects that test students' critical and reflective skills and put their analytical and synthesizing skills into practice in the areas studied.

The Faculty of Law's Internship Committee is responsible for regulating internships in the Business Administration + Law degree program, Javier Guardiola García, Vice Dean of Criminology Studies and Academic Coordinator, is responsible for the Faculty of Law. At the Faculty of Economics, Paz Rico Belda, the head of the Internship Committee, acts as the Internship Coordinator.
