TEACHING METHODOLOGY

Basically in charge of the tutor of the company or institution where the student is assigned, but in accordance with the training project and tasks previously approved by the Master's Academic Commission and under the simultaneous supervision of the University tutor.

It is accepted that the student proposes a self-practicum to carry out the External Practices.

EVALUATION

The final mark to pass the subject should be equal or above 5 points of 10.

The evaluation will be carried out by:

- a) Tutor's assessment of the student's attitude, initiative, participation and attendance (Congresses, Conferences, Talks, Projects, etc.) and degree of involvement in the entire learning process (30%).
- b) Assessment by the tutor of a final written report (70%). The guidelines for students to follow in preparing the corresponding report are detailed in the Virtual Classroom for the course.

The copy or manifest plagiarism of any task that is part of the evaluation will imply the impossibility of passing the subject, then submitting to the appropriate disciplinary procedures.

Please note that, in accordance with Article 13. d) of the University Student Statute (RD 1791/2010, of December 30), it is the duty of a student to refrain from using or cooperating in fraudulent procedures in the evaluation tests, in the works carried out or in official documents of the university.
