SUMMARY

In the subject, Strategic Decisions in Marketing will consist of the theoretical-practical study of decision making of commercial policy. It is about developing the strategic component of Marketing: market analysis, selection of the target audience, market segmentation, positioning, differentiation of the commercial offer, that is, design of the long-term strategy. It is about that the student takes into account that Marketing decisions at the operational level, marketing mix, must be coherent with strategic Marketing decisions.

The subject aims to provide the student with a broader vision of the discipline of Marketing, adopting a strategic vision of it and analysing its possibilities of application in the business world.

ACADEMIC HONESTY AND BEHAVIOUR

The conduct consisting of copying in an exam or plagiarising an "assessable" work (whether or not it is the end of the degree or from the current or previous years), is contrary to the duties of students as set out in both state and internal UV regulations. The immediate consequence of this type of conduct will be, in any

case, a grade of zero and failure of the subject, in accordance with the Regulations on Evaluation and Grading (hereinafter REC) approved by the Consell de Govern of 30 May 2017 (art. 13 section 5); the University Student Statute, approved by the RD 1791/2010, of 30 December; and the Charter of rights and duties of the students of the University of Valencia, approved by Agreement of the Governing Council of 19 October 1993 and modified by ACG of 30 April 1998.

All students are instructed not to use mobile phones or any other unauthorised electronic devices or documents. Any student using a mobile phone both in class, due to the existence of continuous assessment, and in the exam, will be asked to leave the classroom and will receive a numerical mark of zero in the corresponding test (art. 13 section 6). The same type of conditions shall apply to smartwatch terminals or similar. The use of laptops or digital tablets is permitted for taking notes or viewing teaching material. All of the above measures will be applied regardless of the disciplinary procedure that may be initiated against the student and, if applicable, the appropriate sanction in accordance with the regulations in force (art. 13, section 7).

Policy statement on the use of Artificial Intelligence: students on the course ___ Marketing Strategic Decisions_____ are encouraged to use artificial intelligence (AI) tools responsibly for the analysis and research of information, maintaining academic integrity and complying with ethical and legal standards.
