Cubriendo el coste de publicación en  
acceso abierto de tus autores

## Flujo de trabajo de autor para revistas de acceso totalmente abierto de Wiley

Los autores pueden presentar solicitudes de solicitud de financiación APC para sus artículos en el momento de la entrega del manuscrito, y si se pierden, surgirá una segunda oportunidad tras la revisión por pares y la aceptación de los artículos para su publicación.

Los autores correspondientes responsables designados deberán reconfirmar sus roles y afiliaciones institucionales tras la aceptación de los artículos para su publicación, y el sistema verificará si los artículos son elegibles para la cobertura de APC por parte de las instituciones afiliadas.

Los administradores de OA institucional deberán revisar y aprobar/rechazar las solicitudes recibidas en sus cuentas.
