

**INTERNATIONAL
TRAINING PROGRAM**

GARRIGUES

INTERNATIONAL TRAINING PROGRAM

If you have an excellent profile and strong international vocation, at Garrigues you will have access, in the initial stages of your professional career, to the **International Training Program**. The program provides a unique development opportunity, enabling you to gain experience at law firms in other countries and extend your academic training at an international level.

The **International Training Program** offers you the opportunity to access one of the following options:

- A **Master of Laws (LL.M.) at Centro de Estudios Garrigues in collaboration with a prestigious American university**, taught in Spain and in the United States.
- If you prefer to extend your studies abroad, the firm will offer you the possibility of studying for a **Master of Laws (LL.M.) at one of the most prestigious international universities**.
- If you prefer to gain **professional experience working abroad**, you may be **seconded to one of the foreign law firms with which Garrigues works** on a regular basis, or you can request a temporary transfer to one of our international offices.

The **International Training Program** forms part of the training opportunities offered by Garrigues to support your professional development.

YOU WILL HAVE **A UNIQUE INTERNATIONAL TRAINING AND DEVELOPMENT OPPORTUNITY** TO HELP YOU SUCCESSFULLY MANAGE YOUR PROFESSIONAL CAREER IN A **GLOBAL ENVIRONMENT**

GARRIGUES

Garrigues is an **international** law firm with own offices in 13 countries, enabling us to offer our clients global tax and legal advisory services on important and highly complex matters and transactions both at a local and international level.

The ever-increasing globalization of the legal profession requires Garrigues to have professionals who are trained to provide advice on different matters and scenarios by taking a global approach.

Garrigues, aware of the need to foster training initiatives and professional practices to help its lawyers successfully rise to the challenges of this new situation, offers an **exclusive training and development program** with a global focus: the **International Training Program**.
