What's #EYE About for NE?

EYE is a European Union initiative that aims to match aspiring entrepreneurs - New Entrepreneurs - with experienced mentors - Host Entrepreneurs - from participating countries, allowing you to develop essential business skills. Your exchange can last from one to six months.

How It Works:

#EYE operates through a strong network of local contact points including Chambers of Commerce, business incubators, and support organizations across the participating nations. Once accepted into the programme, the contact point you choose in your country becomes your guide, aiding in finding your host entrepreneur and providing ongoing support throughout your exchange journey.

Why take the leap? BENEFITS

EYE offers you the guidance you are looking for to create or develop your business. By collaborating with an experienced entrepreneur, you'll enjoy these advantages:

- Access to new markets and new business tactics.
- Cultural enrichment, gaining cross-cultural knowledge that can be valuable in the global business landscape.
- Personal growth, adaptability and resilience.
- Enhancement of industry-specific knowledge.
- Connecting with reputable business leaders.
- Discovering prospects for future collaborations.
- Obtaining financial support for your journey.

Are You the Right Fit as a New Entrepreneur? REQUIREMENTS

You're eligible if you are:

- Interested in establishing a business venture or have already started one within the last 3 years.
- A permanent resident in a participating country (having resided there at least 183 days).
- In possession of a well-defined project or Business Plan, which underlines your commitment and readiness for entrepreneurial action.
- Eager to forge a business bond abroad and committed to fully engaging in transformative learning.
- Ready to contribute to your host's business growth.
- Willing to cover extra costs beyond the EU grant for your stay.
