ToxiCOIL

Strategies in facing toxicology, nutrition and food safety in the analysis of contaminants in food.

Online activity: ZOOM link:

<https://uv-es.zoom.us/j/98120929630?pwd=5JsHMQ9xW2kDOSo9Labu8o2MmLzmYV.1>

Time	Title of the session	Speaker
	March 5 th , 2025 - University of Valencia - Spain	
15:00h – 16:00h	Introduction to ToxiCOIL	Prof. Ana Juan-García Prof. Cristina Juan
16:00h - 17:00h	Understanding food safety from a toxicology perspective Emerging risk in the perspective of nutrition and human health.	
	March 25 th , 2025 - University of Burgundy – Institute Agro-Dijon - France	
15:00h – 16:00h	Chromatographic methods applied to food safety	Prof. Elias Bou-Maroun
16:00h - 17:00h	The fight against foodborne pathogens: the battle continues	Prof. Stéphane Guyot
	April 7 th , 2025 - University of Palermo - Italy	
15:00h – 17:00h	Toxicology and quality in the fishery value-chain From detoxification mechanisms to nutritional composition. From stress to molecular adaptation.	Prof. Concetta Messina Simona Manuguerra, PhD
16:00h – 17:30h	April 16 th , 2025 – Program Ends <i>PRESENTATION OF PROJECTS AND AWARDS</i>	Professors in the project and Director of UVEmprèn
